

CLEVELAND STATE UNIVERSITY SELECTS CSI SOFTWARE

Houston, TX - June 20, 2006 CSI Software, the leading provider of software and services for campus recreation centers, announced today that Cleveland State University in Cleveland, OH, has selected Spectrum by CSI Software as its new recreation management software. CSU will be installing Spectrum at its brand new, state-of-the-art Student Recreation Center.

The \$29 million, 130,000 sq. ft. Recreation Center, slated for completion in August 2006, will contain basketball courts, weight training and fitness areas, an indoor jogging track, locker rooms, multipurpose rooms, a 50-space underground parking garage, and an adjacent 400-car parking garage.
