### **CSI Software #1 More companies in the Top 100 now use CSI Software**

**Houston, TX. 07-15-2008 08:00 AM**

CSI Software announced today that more companies in the just-published Club Industry Fitness Business Pro Top 100 list have selected CSI Software as their club management system than any other software vendor in the world.

The list is published every July and is ranked based on revenue.

The revenue of the top 100 companies represent a third of the entire health and fitness club industry.

#### **Supporting Quotes**

"This is the first time in our company history that more companies in the Top 100 have selected CSI Software" says Andy Wigderson, Vice President of Sales and Marketing at CSI Software. "We have seen our market share of the Top 100 companies increase rapidly since we released Spectrum NG 2.5 years ago and we are working hard to make CSI Software the industry standard."
