

NOVA SOUTHEASTERN UNIVERSITY TO RELY ON CSI SOFTWARE

Recreation and Wellness Center to be part of University Center

Houston, TX - May 25, 2006 CSI Software, the leading provider of software and services for campus recreation centers, announced today that Nova Southeastern University has selected Spectrum by CSI Software as its new recreation management software. NSU will be installing Spectrum at its brand new, state-of-the-art Recreation and Wellness Center.

Nova is building a 300,000 sq.ft. multi-use University Center that will be the centerpiece of the main campus. The Center will feature a student union, wellness and fitness center, performing arts venue, and a convocation center sports arena - the second largest of its kind in Broward County.
