

UNIVERSITY OF CALIFORNIA SAN FRANCISCO SELECTS CSI SOFTWARE

Houston, TX - August 29, 2006 CSI Software, the leading provider of software and services for campus recreation centers, announced today that the University of California San Francisco has selected CSI Software for its two campus recreation centers.

The Bakar Fitness and Recreation Center at UCSF Mission Bay is housed in the Mission Bay Community Center with 63,000 sq. ft. dedicated to Fitness and Recreation. For more information, logon to <http://mbfitness.ucsf.edu/more/about.php>

The Millberry Fitness and Recreation Center at the UCSF Parnassus campus offers modern facilities including an indoor swimming pool and a range of services such as personal training, group fitness and massage. For more information, logon to <http://www.campuslifeservices.ucsf.edu/MPS/>

The University of California System is one of the largest networks of higher education in the country and UCSF's selection of CSI Software came after an extensive review process that lasted months. The implementation for both facilities is scheduled for October, 2006.
