LAMAR UNIVERSITY SELECTS CSI SOFTWARE

Houston, TX - January 19, 2007 CSI Software, the leading provider of software and services for campus recreation centers, announced today that Lamar University has selected CSI Software for its new Sheila Umphrey Recreational Sports Center.

Covering 131,000 square feet, the \$19 million facility includes several basketball courts; a multi-purpose court for such sports as roller hockey and indoor soccer; one-tenth-mile walking and jogging track; and racquetball, badminton, basketball and volleyball courts.

The center also has a 43-foot climbing wall, a golf putting green, an aerobics and dance studio and 13,000 square feet of cardiovascular and free-weight training that will be the largest in the region. Other features include a health food café and juice bar; study areas; lounge area with pool tables; and a game room with air hockey, foosball, games and TV. Classrooms, offices and dressing rooms complete the facility. For more information, logon to [Sheila Umphrey Recreational Sports Center](#).
