## SOUTHEASTERN LOUISIANA UNIVERSITY SELECTS CSI SOFTWARE

**Houston, TX - May 13, 2007** CSI Software, the leading provider of software and services for campus recreation centers, announced today that Southeastern Louisiana University in Hammond, LA, has selected CSI Software for its 82,000 square-foot Pennington Student Activity Center.

The Pennington Student Activity Center houses informal drop-in recreation by providing an 11,000 sq. ft. fitness room, elevated track, a 28,000 sq. ft. arena area hosting 4 basketball, 4 volleyball, and 6 badminton courts, 2 racquetball courts, 2 meeting rooms, 2 multi-purpose aerobic rooms, locker rooms sauna included, and a wellness suite. Membership to the Pennington Student Activity Center provides access to the pool located in the Kinesiology and Health Studies building. The Recreational Sports and Wellness Department offers fitness classes such as spin classes, tai chi, kick boxing, step, cardio and water aerobics.
